# Salt & Light

Fall 2018

## What are Salt & Light Ministries?

As a community of faith, Gloria Dei Church is committed to making God's love for all people known in the world. We do this in the daily living of our lives and in the way we treat others. We also do this by presenting opportunities that seek to make a difference by addressing needs in the Philadelphia region and beyond.

On these pages are some of the ways **you** can bring the light of **your** gifts and abilities to bear for the benefit of others. The ministry projects highlighted here help you discover where God is calling you to offer your gifts and resources. You are encouraged to move deeper into a relationship with God by promising to serve in some way (or ways) this next year.

We hope you find a ministry project that speaks to you. May your work be seasoning in the world that brings light as we live into our identity as God's people who "**Love all, serve all, in Jesus' name.**"

*Pastor Donna and Pastor Karyn*

"You are the salt of the earth; but if salt has lost its taste, how can its saltiness be restored? It is no longer good for anything... You are the light of the world. A city built on a hill cannot be hid... In the same way, let your light shine before others, so that they may see your good works and give glory to your Father in heaven." Matthew 5:13-16, NRSV
