DIRECTOR'S CORNER

Welcome to our 59th year at Gloria Dei Preschool! After being closed since mid-March, the staff and I could not be more excited to welcome both our new and returning families to Gloria Dei Preschool Discovery Center! The teachers and administrative staff have been planning all summer to prepare for our long-awaited reopening, and the classrooms are beginning to come alive!

As you know, this school year will look different than usual, but we are doing our best to keep the children's routines and schedules as normal as possible. The teachers are prepared with both outdoor and indoor educational activities so that we can learn through play! Gloria Dei Preschool has developed a Health & Safety plan (which can be found in the link below or on our website), and we are following CDC guidelines to make the environment as safe as possible for our students and staff.

COMMUNICATION IS IMPORTANT!

At Gloria Dei Preschool we view our parents as "partners in education" and we will need your assistance this year especially! You can expect regular email and messaging information from the teachers, so be sure to check your phone and email regularly! Please inform anyone else who is transporting your child to and from school of our policies and procedures. **A mask is required on our campus at all times even when dropping off and picking up students outside our building!**

Thank you for being a part of our Gloria Dei

are permitted 10 minute mask breaks throughout the day, and when eating or drinking.

Community and for choosing our preschool for your child's first educational experience! We are looking forward to a great school year!
