March Sneak Peek

Director's Corner

Valentine's Day is right around the corner and it's the perfect time to teach our preschoolers about love, kindness and caring! Red and pink hearts are all around the school and the children are looking forward to celebrating Valentine's day with their classmates! It certainly brightens up the winter months!

This month the Montgomery County Association for the Blind will be conducting free vision screenings for our preschoolers. This is such a wonderful service and every year they find a few children who are in need of glasses. Permission slips will be sent home with your child.

Registration is underway for the 2023-24 school year and we are excited to welcome new families to Gloria Dei Preschool!

Happy Valentine's Day!
